- **Leverage command liaisons** like the Ombudsman, Fleet and Family Support Center, and Family Readiness Group.

PERSONAL PROPERTY

RELOCATE YOUR HHG, POV, AND PETS

You have options when it comes to your stuff:

- **Use the Defense Personal Property System** to arrange your household goods shipment and storage.
- **If traveling with pets**, the member must use government-procured air for reimbursement of pet expenses. You can still use commercial air (COMAIR) on your own without pets and get reimbursed up to government fare.
- **Ask yourself**, do I need to ship my vehicle?

HELPFUL TIPS

3-6 months
before your PCS

- Schedule unaccompanied baggage (UB) separate from HHG for a smaller shipment of household essentials (scan the QR code for more).
- Visit pcsmypov.com for shipping and storage options for your personally owned vehicle (POV). Restrictions apply.
- If you have pets, research and consider your pet shipment options well in advance.
- **Contact your Personal Property Office for more info!**

PASSENGER TRAVEL

PLAN YOUR TRAVEL EARLY

If you need transportation to your new duty station:

- **NAVPTO will prioritize AMC military flights** before commercial air (COMAIR).
- **Submit your Passenger Reservation Request (PRR)** as soon as you can - you don't need orders to initiate travel plans!

HELPFUL TIPS

Up to 120 days
before your PCS

- If commercial air is needed, NAVPTO must book the least expensive option for the government.
- Remember that your PRR is a request. Your requested dates are not guaranteed and are subject to change.
- Familiarize yourself with airline policies (i.e. pet policies), plan ahead, and remain flexible up to the day you PCS.
- **Expect to get your tickets 1 - 2 weeks before PCS!**

NEXT STEPS

Scan the QR code below for NAVPTO **fact sheets, infographics, references,** and access to the **PRR (NPPSC 4650/1)**.

TRAVEL ADVANCE PAY

KNOW YOUR ALLOWANCES AND ENTITLEMENTS

Among the travel advances you can request:

- **Monetary Allowance in Lieu of Transportation (MALT)** is used as mileage reimbursement during a PCS move.
- **Temporary Lodging Allowance (TLA)** covers lodging upon arrival or immediately before leaving a PDS overseas.

HELPFUL TIPS

60 days
before your PCS

- Check to ensure you are eligible to receive advance DLA (scan the QR code on the right for requirements).
- Get the Application for Transfer and Advances (ATA), or NPPSC 1300/1, on the MyNavy HR website.

- **Ensure your command** properly processes your loss, including PRIMS, DTS, and NSIPS.
- **Don't forget to check out** with medical and dental!

HELPFUL TIPS

Last few weeks
before your PCS

- Make several copies (as many as 10) of your original PCS orders, especially if you're going overseas.
- Fill a large binder with all the documents you'll need (passports, medical, etc.) and leave room for receipts.

USING THE GTCC

KNOW YOUR GTCC DO'S AND DON'TS

Here's what you can and can't use the GTCC for:

- **Do use it for** vehicle expenses like fuel, lodging expenses including hotel taxes, parking and meals.
- **Do not use it for** personally procured transportation, medical expenses, or personally procured moves (PPM).

HELPFUL TIPS

- If you need a credit limit increase or your PCS is longer than 120 days between duty stations, contact our APC to process the increase or extend your Mission Critical status ahead of the 120 day mark. If it's an emergency or time sensitive, call MNCC for immediate assistance.
- After your travel voucher has been approved, ensure your GTCC balance has been paid off in full.
- **Keep all itemized receipts for easier reimbursement!**

NEXT STEPS

Scan the QR code below for the **Citi Manager portal** where you can check and manage your GTCC balance.

TAKING LEAVE

ENJOY SOME DOWNTIME WHILE YOU PCS

Feel free to enjoy leave during your journey, but keep in mind:

- **Other than travel time** and sometimes proceed time, any days you take to execute PCS are chargeable as leave.
- **Travel outside** your government-procured PCS itinerary is your financial responsibility unless approved for circuitous travel in your orders.
- **As always**, you are accountable for your conduct on leave.

HELPFUL TIPS

- You do not have to request leave — it will automatically be charged when your new command gains you.
- Unless your orders say otherwise, you can take up to 30 days of leave between duty stations.
- Travel time depends on your transportation mode (scan the QR code on the right to see how to calculate it).
- **Coordinate your leave plans with your new command!**

NEXT STEPS

Scan the QR code below for **Joint Travel Regulations (JTR)** travel time calculations (see 5A-7, p. 195).

GENERAL TIPS

PCS CONSIDERATIONS BETWEEN A AND B

Additional resources to help your PCS go smoothly:

- **Your Vehicle Processing Center (VPC)** doesn't have to be near either permanent duty station (PDS) – you can use the one that works for you.
- **Government vs. Personally Procured Move:** A PPM gives you control, but you do all the work.
- **Shipping or storing your POV:** Your vehicle must be clean and in good condition to ship or store.

HELPFUL TIPS

- MNCC is on call during your PCS at (833) 330-6622!
- As you collect receipts, ensure they are zero-balance (paid in full, not an invoice) and show itemized charges.
- As a military member, remember your antiterrorism and force protection training – stay vigilant at all times.
- **Hand-carry all your vital personal documents!**

HOME SWEET HOME

SETTLE INTO YOUR NEW HOME

When you and your family arrive in town:

- **Temporary Lodging Entitlement (TLE)** (CONUS) or **Allowance (TLA)** (OCONUS) pays for a hotel stay.
- **House-hunting** is not chargeable as regular leave. You're authorized up to 10 business days to look for housing.
- **Storage-in-Transit (SIT)** holds HHG in temporary storage until you move into your home.

HELPFUL TIPS

File DPS claims
within 9 months

- Update your address in the Defense Personal Property System (DPS) so movers know where to deliver your HHG.
- As you receive TLA/TLE directly, set it aside, use the GTCC to pay for the hotel, and remember to pay your GTCC bill.
- Personally verify each HHG item by inventory number with movers, and document missing or damaged items.
- **You have a right to counter DPS claim offers!**
