NAVAL BASE VENTURA COUNTY Fleet and Family Support Center

WELCOME ABOARD PACKAGE

Welcome Aboard

It is a pleasure to welcome you to Naval Base Ventura County. You have joined a dedicated workforce of more than 19,000 military and civilian members committed to the future of the Navy. Onboard our base, you will find a wide range of operational, testing and evaluation, engineering, educational and reserve commands, all performing critical missions for the Navy.

We are one base with three locations - Point Mugu, Port Hueneme, and San Nicolas Island - each of which has much to offer. You will also find that Ventura County is a great place to work and live. From outdoor recreation to great restaurants, shopping and services; the cities of Ventura County offer a variety of opportunities. I encourage each of you to get involved in your new community.

This package contains valuable information about some of the finest medical, dental, recreational facilities, family support centers, commissary and exchange services in the Navy. Our base facilities and services are available to serve military, civil service personnel, and their families stationed in Ventura County.

I'm confident that your time with us will be challenging and rewarding! Whether this is your first assignment here or you are returning home, welcome home and enjoy!

Enrollment Options in Ventura County

Intra-District Transfer

- As space is available; a student can request a transfer to another school within the home school district.
 Transportation is the responsibility of the parent. Information is available at student's school district. Some districts will begin the school choice process early in the calendar year for the following school year.
- o If a school is placed in Program Improvement (PI) due to the inability to meet Adequate Yearly Progress, a student can request a transfer to another in the school district not in PI, as space permits. Transportation is the responsibility of the school district. Districts do have deadlines for the request. The student's school district can provide additional information.

• Inter-District Transfer

As space is available; a student may request to attend a school outside of his/her home school district.
 Transportation is the responsibility of the parent. Some school districts begin the school choice process early in the calendar year for the following school year.

How to request an inter-district transfer:

- Obtain an Inter-District Transfer Form from the school district where the student resides.
- o Complete the form; submit to student's home school district requesting a release of the student.
- Typically, the form will be forwarded to the district of choice. However, verify with the district that this will be the case. If not, submit form to school district of choice.
- As space is available, the district of choice will approve the request.
- Charter Schools A public school that operates independently of the school district structure. For a listing of the
 charter schools available in Ventura County, visit the Ventura County Office of Education website at www.vcoe.org.
 Each charter school has its own registration process and registration period. Transportation is the responsibility of the
 parent.
- Private Schools Cost and transportation is the responsibility of the parent, however private schools may offer benefits that some public schools are not able to provide such as religious education, alternative schedules, specialized instruction, or before/after-school care.
 - www.archdiocese.la Parents looking for Catholic schools in Ventura County can search on the website of the Archdiocese of Los Angeles
 - www.acsi.org/ Association of Christian Schools International (ACSI) is an organization of Christian preschools, elementary, and secondary schools. Member schools can be searched on the ACSI website.
 - www.wascweb.org The Western Association of Schools and Colleges (WASC) accredits public and private schools in the western region. Elementary and Secondary schools accredited by WASC in Ventura County can be searched for on the WASC website.
- **Home School –** An option for parents who desire to teach their children. All costs are the responsibility of the parent. Some available resources for parents interested in homeschooling:
 - www.californiahomeschool.net or www.hsc.org Provides information about current state and federal legislation affecting homeschooling families, and how to get started home schooling.
