## USS GEORGE WASHINGTON FAMILY READINESS GROUP

The George Washington Family Readiness Group provides family members of GW Sailors with information and emotional support. The group organizes social events, informative meetings, and other fun activities designed to build bonds of camaraderie and friendship while fostering an understanding of the Navy and the requirements it places on its Sailors and families. The group also helps improve and increase the flow of communication between the command and its families.

## USS GEORGE WASHINGTON OMBUDSMAN

The Navy Family Ombudsman Program is designed to provide better and faster communications between Navy families and Navy officials. As official representatives of the George Washington families, our Ombudsmen are primarily liaisons between our Commanding officers and families. They can speed up communications between the command and families by passing along information so that families are always informed.

In addition, our Ombudsmen can give you information on services, upcoming events or help with a crisis in the event you are unable to resolve the crisis within your own capabilities or resources. The ombudsman program may include confidential information. This is defined by the CO as sensitive information about a service member or his/her family that is kept within the system for official use only and is relayed only on a need-to-know basis. You can put your trust in your Ombudsmen!

An ombudsman reaches out to individual families with friendship, information, problem solving and a helping hand. Although your Ombudsmen may sometimes act as an advocate, they do not get involved in chain-of-command matters. Use your ombudsmen as a resource that can quickly direct you to the right people to provide help for your specific concern.

The following individual is GW's Ombudsmen and here are some ways you can get in contact with them.

## Hampton Roads

Hampton Roads, Virginia is home to more than 20% of the entire United States Navy! Hampton Roads, Virginia, consists of the “Southside” and the “Peninsula.” Southside cities are Norfolk, Portsmouth, Chesapeake, Virginia Beach, and Suffolk. Norfolk and Portsmouth are cities with limited land and tightly concentrated populations. Chesapeake and Virginia Beach seem like counties, with much larger land areas and less defined city centers, although the City of Virginia Beach has recently developed a Town Center near Pembroke Mall. Suffolk is rural. Hampton and Newport News are located on the Peninsula, as are the historic towns of Williamsburg, Yorktown, and Jamestown.

Naval installations include the Naval Station, Norfolk; Naval Amphibious Base, Little Creek, which lies partly in Norfolk and partly in Virginia Beach; Naval Air Station, Oceana; NAS Oceana, Dam Neck Annex in Virginia Beach; NSA Norfolk Northwest Annex in Chesapeake; and Naval Weapons Station, Yorktown. In addition, there are many other Navy, Marine Corps, Army, Air Force, and Coast Guard installations in the area. Approximately 1.6 million people live in Hampton Roads, and activities abound which may interest you. Fishing, camping, historic sites, concerts, theater, opera, ballet, symphony, zoos, museums, and more are available. The climate is generally moderate, and there are four distinct seasons. Winters see occasional, light snowfalls, while summers tend to be hot and humid. When making your move to Hampton Roads, Virginia, the Fleet and Family Support Centers are ready and available to assist you. Call 1-800-FSC-LINE (372-5463), 24 hours a day. For more information on the Hampton Roads area, check out Military Installation Overview on Military Homefront’s website [www.militaryhomefront.dod.mil/moving](http://www.militaryhomefront.dod.mil/moving) or Military OneSource’s website at <http://www.militaryonesource.mil>.

### Home Sales and Rentals

Homes for sale are usually plentiful in Hampton Roads and relatively reasonable when compared to high cost areas like California or Washington DC. However, the demand for rental units is quite high, and the vacancy rate is low. Costs for rental units during the summer months may be very high near the resort areas because of the tourist season.

Average apartment rentals can range from \$600 for an unfurnished one-bedroom unit to \$2000 or more for an unfurnished four bedroom unit. Housing costs may be lower on the Peninsula. Some useful websites to start your search are: [www.ahrn.com](http://www.ahrn.com), [www.apartmentguide.com](http://www.apartmentguide.com) and [www.hrtide.com](http://www.hrtide.com).

### Rental Partnership Program

Contact the Southside Hampton Roads Welcome Center for more information, including information about the Rental Partnership program. RPP contains properties that are designated for military personnel at reduced rates. Rent must be paid by allotment. Landlord Tenant Acts and Military Clauses in leases may vary from state to state. As a result, local security deposits may be more than expected. Even when you receive orders, landlords can require 30 days notice.
